

You are about to become a “raving fan.”

Welcome to Equity Resources!

We learned a long time ago what being a truly great lender is all about:

- 1) Create select relationships with key individuals and organizations.
- 2) Deliver a positive, memorable experience.
- 3) Work with honesty and integrity.

That’s what creates “raving fans” and that’s how we have grown into the successful company we are today.

In addition to providing a “wow” client experience, our commitment is:

- 24 hour final loan decisions
- Common sense and flexible underwriting
- Guaranteed on-time document delivery

I invite you to explore Equity Resources and what we have to offer. We are known within the industry as one of the best in service and delivery and a company that keeps its promises.

While honesty and integrity direct us, our service and delivery is what defines us.

Why Equity Resources

About us

Equity Resources was formed in 1993 with a Core Purpose to “*improve the lives of families.*” We are a privately held corporation with our home office located in Central Ohio. We are a licensed mortgage lender in Alabama, Connecticut, Delaware, Florida, Georgia, Indiana, Kentucky, Maine, Maryland, Massachusetts, Michigan, New Hampshire, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Texas, Virginia, West Virginia, and District of Columbia.

We are a different type of lender

Equity Resources is a mortgage banking “entity.” That means we originate, process, underwrite, close and fund our own loans. This independent level of control over the entire process eliminates unnecessary steps, allowing us to meet our commitments on time and make quality, common sense mortgage loans.

100% independent

We are 100% independently owned and operated. That gives us the ability to adapt quickly to a changing market and make decisions without delays.

The right loan products

We offer most all conventional conforming Agency mortgage loans as well as Government products such as FHA, VA and USDA loans.

Incredibly stable

As well as being an independent company, we are well capitalized and have never had a single issue funding a loan as committed.

Growing every day

While many lending firms are contracting their staffs and operations, Equity Resources is expanding. We pride ourselves in employing some of the most experienced loan originators and support staff in the industry. We attract the best because people see us as the best place to work.

A higher standard

Equity Resources, Inc. conducts its business in a manner consistent with our established Core Values, including delivering a “Raving Fan” customer experience. While honesty and integrity direct us, our service and delivery is what defines us. Equity Resources is a member of the Better Business Bureau with an A+ Rating.

Testimonials

We've heard it all before.

Equity Resources has been specializing in mortgage lending since 1993. We are the only alternative outlet for numerous banks, builders and REALTORS®. Here were some of their concerns and may be yours.

"Approved today, but approval changes just before closing"

"Too good to be true..."

"All I want is honesty and no surprises."

"Tired of wishy washy answers. Give me a yes or no quickly."

"No surprises at closing"

We walk the talk.

Don't take our word for it! Read what some of our affiliates have said...

"Thank you for the miracle you guys pulled out on this one! That was terrific service and I am really impressed!"

"Unbelievable – I don't know how you guys did this, but you all are absolutely fabulous! I know that a THANK YOU isn't merely enough; but right now I am so thankful for your tenacity, determination and compassion, and your leadership, that I am speechless – which for me, is highly unusual! WAY TO GO!"

"It's always a pleasure to work with one of your staff members. Equity Resources customer service is number one!"

"I really, really, really can't thank you enough. This is a miracle that you were able to turn this loan in 3 days." "You guys just rock!!!! Great job!"

"Good job everyone –24 hours from submission to clear to close. Awesome!!"

"I just wanted to take a moment to express how happy I am. I have never experienced a lender relationship quite like this one. We all know that our business certainly cannot be called "easy", but I can't imagine my files going any smoother than they do with your staff. You are always willing to go above and beyond to make sure that the file not only gets closed, but that my customers (and me) are happy, too."

"Thanks to you and your staff for the incredible customer service. It is a true pleasure working with your company."

"Equity Resources personal service far exceeds that of any other lender we work with. There is nothing that could possibly replace the high level of service the people of Equity Resources provide."
